

AirCheckTexas Repair and Retirement Assistance Program Application for Travis County

Is there financial assistance for vehicle repairs if my vehicle fails the emissions test?

The State of Texas has established a financial assistance program for certain owners of vehicles that fail the emissions test. The assistance program is called the " AirCheckTexas Repair & Retirement Assistance Program."

What about replacement assistance?

If your vehicle is over 10 years old, or if it fails the emissions test, you could be eligible for assistance to replace your vehicle.

NOTE: Applications must be received by the county program administrator for the AirCheckTexas Repair & Retirement Assistance Program **within 30 days** of the date of failing the emissions test.
