

Constable Outreach Program

for the Cure

On Sunday, November 7th, 2010, the Travis County Pct. 2 Constable's office will be participating in the Komen Austin Race for the Cure®. This challenge was accepted to raise funds to support the Austin Affiliate of Susan G. Komen for the Cure in its efforts to END BREAST CANCER FOREVER.

The Constable Outreach Program (COP) was formed in the Spring of 2009. Composed mostly of employees of the Travis County Pct. 2 Constable's Office, their friends, families and supporters, COP came into existence as a way for this agency to reach out to the communities within Travis County and the surrounding areas. Providing volunteer and community service has helped bring the commitment and service of this law enforcement agency to new depth by giving back to the communities that have long since supported the County of Travis and its efforts for a better Central Texas Region.

We invite you to join us in this important mission by becoming a member of our team, **COP for the Cure!** Together we can raise awareness and funds to save lives and find a cure. Becoming a team member is easy! All you need to do is click the Join a Team button on the Race Registration page to register for the Race for the Cure© and "Join a Team". See www.komenaustin.org for more details or contact Rich Mora (Richard.Mora@co.travis.tx.us).

We look forward to seeing you on race day!
